Opportunity to Submit Air Quality Client Contact Meeting Agenda Items

The Air Quality Bureau is accepting agenda topics for the next Air Quality Client Contact Meeting. The next meeting is scheduled for Thursday, November 21, 2019 at 1:00 p.m. in DNR Conference Room 2N in the Wallace State Office Building, located at 502 E. 9th St, Des Moines, IA 50319. A conference call option will also be available. The call-in number will be provided when the final agenda is announced, approximately one week prior to the meeting.

The Air Quality Client Contact Meetings are intended to focus on current and upcoming air program issues and changes. Submitted agenda items should include the name of the item, who plans to introduce or lead the discussion, and an estimate of how much time should be set aside on the agenda for the item. Note, updates on the new electronic permit application system, EASY Air, will be discussed in a separate meeting starting at 2:00 pm. Additional details for that meeting will be provided at a later date.

Please submit agenda items by Thursday, October 31, 2019. Agenda items may be emailed to Matthew Johnson at matthew.johnson@dnr.iowa.gov.
